

Listed below are the dates of Assemblies and Conferences for the rest of the rotation. Some Flyers are not yet out, but WILL be posted on the area website as soon as they are available. The Econolodge in Pierre is formerly the Kings Inn, where the Area has met before, this may help people know where to go. They have also extended a rate of \$59/night so make sure to mention Area 63 when booking rooms. I would happily take any questions or comments, I can be reached at 605-216-2757 and my e-mail is KLBerheim@gmail.com.
